Type of credit: Occupational/Technical

Lecture hours: 0.5-4

Repeatable: 8 times

Prerequisite: LTRE 097 or ESL 097 with minimum grade of C or Academic placement measures.

Teaches technically oriented students the practical communication skills needed for educational and occupational situations. The student will analyze typical communication problems and create written and oral projects.

COMM 214 Bus/Tech Writing (3 Credit Hours)

Type of credit: Occupational/Technical

Lecture hours: 3

Prerequisite: COMM 101 or BUSN 141 or ENGL 121 with minimum grade of C or Academic placement measures.

Investigates contemporary theories of modern business and technical communication. Students observe current styles of usage, discuss technologies available, and investigate both cultural and ethical issues. Required projects include business letters, memoranda, written and oral reports, and one major research paper. These projects offer students practical experience in modern communication skills and principles.
