

ACCOUNTING, CERTIFICATE (213)

About Our Program

This certificate program prepares students for entry-level positions in private business and industry.

Nature of Work and Employment

Job positions that are available include accounting clerk, bookkeeper, accounting assistant, trainee, or technician.

Special Considerations

This program develops advanced skills in the accounting area. For a wider range of skills such as word processing, software package usage, and management, students should consider one of the degree programs offered in Accounting or in related business areas.
